Arguments, Pro and Con, Concerning

Chinese in our Sunday-schools by American

The President called attention to THE EVENING WORLD'S treatment of the question, and said: "People have stopped laughing at Chinese Sunday-schools, and have begun

in the teachers are not young and blooming maldens," he said. "Many of them are offer than their pupils. Women are more successful as teachers because they better uncertaind the untutored mind. The mother can teach a child tetter than its father, and women a women as women as teachers because they better uncertaind the untutored mind. The mother can teach a child tetter than its father, and women as women as women the untutored mind. The mother can teach a child tetter than its father, and wo can a woman teach a Chinaman more successfully than a man."

Alvin Summers, the next speaker, said that we have a man a man."

Alvin Summers, the next speaker, said that we have a man a man."

case a child cetter than its father, and so can a woman teach a Childman more successfully than a man."

Alvin Summers, the next speaker, said that the Childese as a race tend to retard civil zation, because Childman are not progressive.

"They lower wages and they preserve the disgrace of the option habit," he continued, disgrace of the option habit," he continued, with the women, of whom they are so proud to come in women, of whom they are so proud to come in contact with this worst class of humanity? The men who make the laws of this country.

A Straw Widow Indeed. The men who make the laws of this country have seen the dangers of association with such a rate and have enacted statutes that prevent Chinamen from landing on American soil.

"If American women want missionary work to do, why don't they work in the siums of our own city, where there are thousands of our own race who have never heard the leachings of Christ or know that there is such a being as a missionary?"

E. A. Ommen followed in the negative, and tried to dispose of the argument of Mr. Summers by the statement that Chinamen do not cheapen habor. He thought it an insulit to American women—to intimate that they should not be permitted to attend Chinese sumany-genools.

should not be permitted to studie the sunday-schools.

The next speaker, Andrew Burne, objected to converting Americans in the slums with a molecular scholar and self-streets to talk about the coloren Rule through opium smoke that would singe the wings of an angel.

"American women ough; to look out for the white race." he said. white race," he cald, r. F. A. Bran based his argument on the m that as Europeans had introduced

This Vexed Subject,

Goldey Literary Society took the subject for debate at its regular weekly meeting at 8 towards the woman. West Fourteenth street last night, and at the close decided by a vote, in which were only two negatives, that American women should

"Well," answered the woman, and she two negatives, that American women should not trach Chinamen.

The Goldey Society has a membership of sixty bright young men who have received training in cratory through visits to the spends it for liquor and reluses to give

GOV. EAGLE AT DEATH'S DOOR.

Has Been Ill for Several Weeks, Is

at Richmond, Ky. om Mrs. Eagle says that her husband, Gov James P. Eagle, is lying at death's door at Richmond, Ky.
Gov. Eagle has been ill for several weeks.

Egress for 150 Men. *

CHARGED WITH ABDUCTION

Richard Babcock Said to Have Misled Two Sistors.

PATERSON, N. J., Aug. 26.—Richard Bab-cock is under arrest on charge of abducting

Mary and Lizzie Cliffe, daughters of a weil known silk manufacturer to Paterson. Six years ago Babcock nursed Mr. Cliffe while he was ill in the hospital. Cliffe felt so

Gaughters had confessed to her.

Mr. Cillie armed himself with a revolver
and searched for Habbook, who was not seen
until last night, when he was arrested at his
home.

The Cliffe sisters were found at a boarding-house in Paterson. They were taken to their

rying to secure legislative agents to assist in promoting the passage of a bill which will give them the right to build an elevated railroad in Boston and its suburbs.

It is said that the men behind the move-ment are the same who recently purchased the Beit Line, Lynn and Boston and Naum-keg and Essex Roads.

One of the men is a large stockholder in the Manhattan Elevated Ratiroad Company of New York.

E. E. Denniston and J. P. Hsey, of Phila-delphia, and Capt. Griffen, of the General Electric Company, are mentioned as being in the syndicate.

SALVATIONISTS IN REVOLT.

Gen. Booth Condemned at a Great Meeting in Toronto.

TORONTO, Ont., Aug. 2d.—An immense gath

ring of Salvationists last night heard the statement of Brigadier Philpot, who is at the

head of the revolt against Gen. Booth and his

tion condending Gen. Booth and his adher-ents, and pledging their support to Philpot. Charges were also made against Mrs. Booth while here of gross extravagance in living and travelling.
